ON THE FIELD

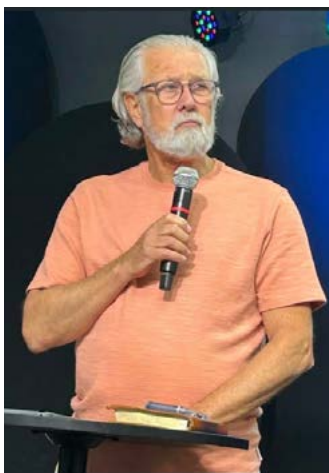

Edition 44 | September 2026

Hallo, hallo!

So, summer is over, although I can hardly believe how quickly it has gone by. And SO MUCH happened!!

Evangelism Power School

As I mentioned in the previous newsletter, our summer started with a 13-hour flight to Florida — what an experience! We had the incredible privilege of staying there for a little over two weeks and enjoying the beautiful surroundings and warm culture. But it was certainly not a trip to sit on our lazy backsides. I immediately had a cool pickup truck at my disposal, and on day one we drove straight to Orlando to go evangelising. Then came the Evangelism School in Daytona Beach. It was a bomb!! We absolutely loved every second of it, from the very first to the very last. Even the children were captivated and listened attentively throughout the entire week, and they were sad when it was over. So encouraging!! We learned so much, made several new connections, had the privilege of sharing our testimony with the whole school, and went out onto the streets together even more to evangelise. We were on fire and full of excitement when we flew back home!

The girls from PJV

After arriving home, following a 28-hour journey and a 7-hour time difference, we barely had a day to recover before the wonderful PJV ladies had to be picked up from the airport. Straight from one thing into the next, but it was amazing. They were only a small group, but less was definitely more! Together, we had an incredible week of teaching, serving, reflecting, and enjoying. Beautiful times of prayer and worship, reflecting in God's creation, sharing and encouraging one another. We experienced healing and deliverance, revelation and breakthrough. In short, it was a week filled with -and led by the Spirit of God. It was absolutely amazing!!

Annual Children's Camp in Varmaga

Then came our annual camp in Varmaga. Once again, together with our amazing friends from Carpathian Aid Scotland, who not only come to serve, but for the fourth year in a row also fully funded the entire camp! I could go on and on about this week, but I can also sum it up very briefly: "It was the best camp ever!!" So much joy, so much fun, so much love, everything in unity, it was amazing!

We took a slightly different approach this time, giving the young people the opportunity to think for themselves about Bible passages, which they then had to present to the children themselves in the evenings, in a creative way. And wow, did they do an amazing job!

Halfway through the week, we were told that the water had completely run out. It had been incredibly hot for months, and it hadn't rained a single drop for weeks. The only thing we could do was pray for a miracle, because the owner had told us that otherwise we would have to leave the camp

the very next day. And so we prayed! The municipality was, of course, aware of the situation, but they didn't have a driver with the necessary licence to transport a few water tanks to the camp. The morning after we had all been praying together, this was apparently being discussed at the townhall when, 'by complete coincidence', a Christian walked in and overheard the conversation. He said: "I can help. I have the necessary driving licence!" And so, at around 9:30, a large transport truck drove onto the campgrounds carrying no less than 8,000 litres of water!! What a joy!

And then, a little while later, at the hottest part of the day, suddenly huge dark clouds gathered. A cool wind swept straight through the camp, and a heavy downpour refreshed everyone! All the children went absolutely crazy with joy!!

Rescued Te4M

After the camp, we had about a week to get everything back in order at home, because then it was already time to welcome 22 driven Belgians.

What an incredible team they were! Some came in vans packed with tools and equipment, while the rest flew in. Rescued Team had come to build a playground at the centre!

Nothing could stop this team! There was no time to recover from the journey, from early morning until evening, in the extreme heat, they gave it everything they had, 200%!! We are still amazed at what this team managed to accomplish!

Of course, there was always time for teaching, prayer and worship, and there was also plenty of opportunity to unwind in our beautiful, spacious garden. But this too was a week we will never forget!

Each and every one of them was a remarkable person. The youngest was 13, and the oldest was 93! All united as one, with one single goal: to serve Jesus.

What a team, what a blessing, and what a result!

Now it's time for the start of a new school year. A new beginning that we once again entrust into God's hands, and we look forward to seeing what He has in store for us. But that will have to wait until the next newsletter!

God bless you all!! To Him be all the praise, honour and glory!!

PRAYER

- Please keep praying for the centre! New changes, new adjustments, please pray that everything will be resolved and approved.
- Pray for more financial support, so that we can employ Raluca.
- There are more and more opportunities to serve in different ways. But what is God's will?
- Pray that, in the midst of all the busyness, we will always remain in His rest.
- Pray that we will continue to have discernment about where we should and should not help. Especially in the work with the Roma. It's all about His works.
- We are praying for a Romanian couple, who have a burning heart for the Lord and the work we do. What is His will?
- Please pray for the youth ministry. They long to spend more time with us and be able to join us more frequently. But we really need more help.
- Please pray for us as well. God is at work, but we are also experiencing quite a bit of spiritual opposition on various fronts.
- Above all, pray that in everything we do, He alone will receive all the praise, honor and glory! Blessed be His Holy Name. Amen!!
